# Children of Torah

P'qudei

(accounts of)

Moshe and all the children of Israel finish constructing all those things that YHWH had commanded them to make. They made the mishkan and the tent of meeting. They made the menorah, the table of the bread of His presence and the golden altar of incense that were to be placed in the holy place or the outer sanctuary.

They made the Ark of the Covenant with the mercy seat on top with the two cheruvim on top facing each other which was to be placed inside the holy of holies or the inner sanctuary. They also finished the great altar and the copper laver for washing and all the utensils that went along with all these things to be able to do the work of service for the worship of YHWH.

When they dedicated all these things to YHWH, He came in the cloud of His presence and filled the tent of meeting so no one was able to enter to do the work of service.

**Chazak! Chazak! Venitchazek b'Mashiach Yeshua!**

Be strong! Be strong! And may we be strengthened in Messiah Yeshua!
